

## Mayor of London congratulates deltaDOT on success to date.

13th May 2011: Boris Johnson, Mayor of London, was shown deltaDOT's Peregrine-1 instrument as part of the Business Bootcamp launch held at the British Library. Nigel Stokes, deltaDOT's Managing Director answered questions from Mr. Johnson about the capabilities of the instrument, what had led to its invention and our sales to date. On hearing that many instruments had already been sold to leading international pharmaceutical and biotechnology companies Mr Johnson congratulated deltaDOT on this achievement, and wished the company every success in future.
